

Join the Cozy Cat Cottage Book Buddies Program!

The Book Buddies Program welcomes area children to come and read to the kitties at Cozy Cat Cottage. It's a great way for kids to practice their reading, while also showing some love to the felines waiting for their forever home. What better way to make reading more fun than with a furry friend?!

The Book Buddies Program is open to area children, grades K – 6. We ask one adult per family be present for the duration of the visit. The program runs Monday – Friday 6:00pm to 7:30pm and Saturday/Sunday 2-4pm.

When you arrive for your child's reading time, please sign in on the Book Buddies sign-in sheet located on the Book Buddies shelf in the welcome area. We have a small selection of books children can read to the kitties or your child is welcome to bring his/her own books too!

For questions on the Book Buddies program, please email: ccbbookbuddies@gmail.com.

We invite you to share the CCC Book Buddies program with your friends on social media! #CozyCatBB
