“Help Us Protect Their Journey”

Every year is challenging for homeless cats, and 2024 was no exception. As temperatures dropped, we rescued many cats, and now kittens are filling our shelter. Thanks to your unwavering support, we've achieved so much, but our mission is far from over. **With rising costs, we urgently need your continued help** to save even more cats and kittens in 2025. Together, we can provide them with a safe haven.

OUR NO-KILL MISSION

We firmly believe that no cat should ever face euthanasia simply because it lacks a home. With unwavering dedication, we strive to save the lives of every cat that arrives at our shelter, no matter the severity of their illnesses or injuries. Every cat deserves a chance.

Since
1998

LIVES SAVED IN 2024

Due to your support, we rescued and adopted 803 cats and kittens, and facilitated 900+ spay/neuter surgeries to reduce the the number of unwanted litters in our community. We work 365 days a year to care for the cats and are 100% dependent on donations.

OUR CONTINUED ADVOCACY

When possible, we help the public with low-cost spay/neuters and partner with local cat and dog organizations to share any excess food and supplies. We maintain a 100% policy of accepting former adoptees, regardless of when they were adopted, and who often require extensive and expensive medical care.
